

DCM Northern Europe Technical Assessment Group Briefing

**Captain Ken Hall, SC, USN
Commander
DCM Northern Europe**

June 24, 2000

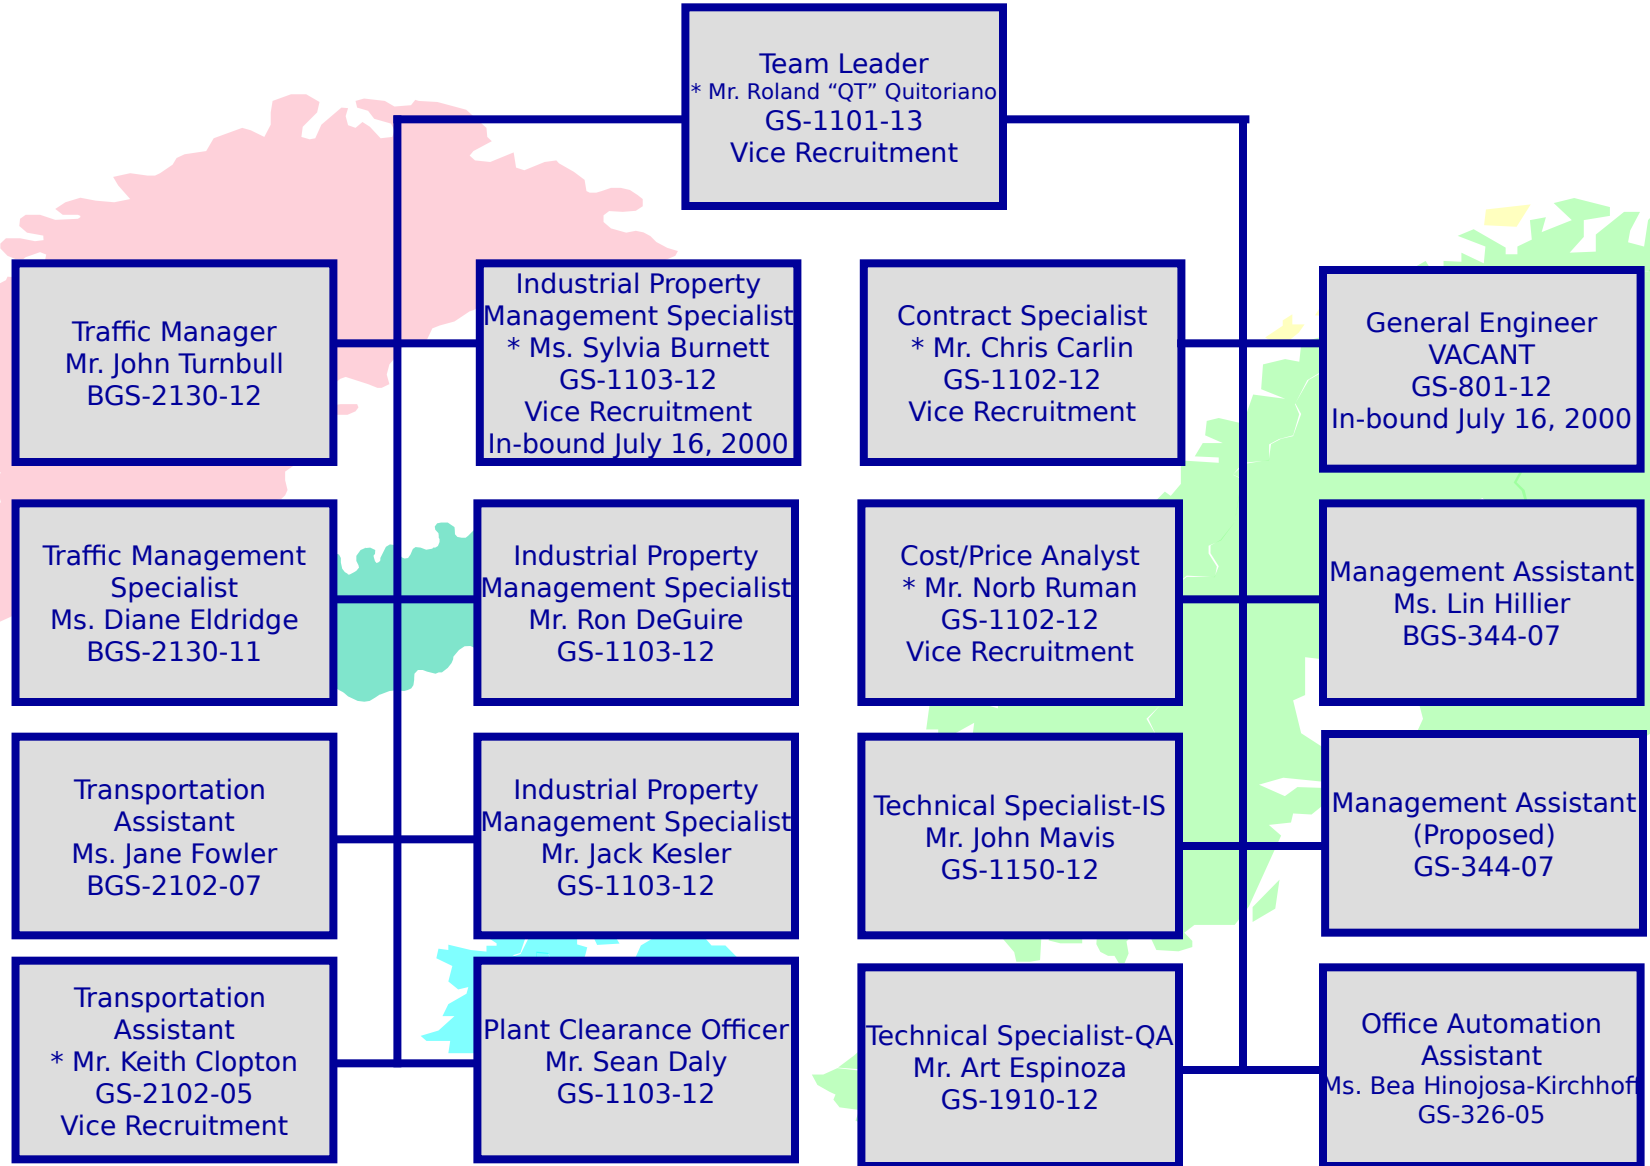

- Perception/Myths
- TAG Mission
- TAG Objectives
- DCM NE TAG Organization
- TAG Functions
- Roles and Responsibilities
- Budget

- Not necessary; does not Perform Mission Functions
- Does not have a Job; Non-Valued Added
- Does not assist, only another Assessment Team
- Viewed only as an extension of DCMA and DCMDI Staff

The mission of TAG is to provide technical expertise, operational assessment and corporate support in the execution of DCMA's mission to **resolve problems and improve processes** for the Contract Management Offices (CMO) Operations Group, Buying Activities and Program Offices.

- Provides technical expertise in the execution of the mission
 - Provides assessment of the achievement of cost and performance objectives, process improvement initiatives, and customer satisfaction
 - Provides assistance to resolve problems and continuously improve processes
 - Serves as an extension of DCMA and District to ensure consistent application of policies and procedures
- TAG...source of leverage**
